

Calling Community Creators: Reimagine Team Spirit 2026

Your artwork could be featured across our event promotions and at the event.

Team Spirit is a community fundraiser supporting cancer patients and families at the MemorialCare Cancer Institute at Long Beach Medical Center. Funds help provide vital programs that care for the mind, body, and spirit, including support groups and peer mentors, wellness classes, creative workshops, and more.

We're inviting the community to design the 2026 Team Spirit event artwork—a refreshed take on the Team Spirit look we use today. The selected design will appear on promotional materials and be showcased at the event.

How to enter:

Email your artwork to teamspirit@memorialcare.org by **11:59 p.m. on March 31**. Must include your full name & phone number with your submission.
