Nursing Education and Scholarships

Patient Navigators for Cardiology, Breast Cancer and Lung Cancer

Cardiac Catheterization Lab

Senior Care Support Programs

COVID-19 Support for Emergency Department and ICU

Postpartum Support for New Mothers and Resources for NICU Families

Where We're Going

In Spring 2022, we will break ground on the Women's Health Pavilion at Saddleback Medical Center. Anchored by the renowned MemorialCare Breast Center, this modern new facility will truly transform how we deliver care to women in south Orange County throughout all stages of life.

In addition, the Women's Hospital at Saddleback Medical Center will renovate its award-winning birthing suites with modern design, luxury features and safety amenities to give moms the most comforting experience while entrusting us with their care.

To find out more, go to memorialcare.org/women. To discuss ways to support Saddleback Medical Center that are meaningful to you, please call (949) 452-3724.
