

Miller Children's Hospital Long Beach Auxiliary

2892 N. Bellflower Blvd., #463, Long Beach, California 90815

FOUNDED APRIL 5, 1946

September 2025

Dear Friends:

For 79 years, generations of community have wrapped its arms around the infants and children across the greater Long Beach area and beyond. Miller Children's Hospital Long Beach Auxiliary is a non-profit 501(c)(3) whose mission is to improve the general health and well-being of children through emotional, financial, and cultural support. We are deeply honored to support the care of our community's brave young warriors.

Our upcoming Annual Designer Fashion Show Gala will be held February 28, 2026, at the Hyatt Regency Long Beach. We invite you to contribute to the success of this important fundraiser by donating to our Live Auction and/or Silent Auction. Together, we've raised over \$18 million in support of this wonderful Children's Hospital. The proceeds will help us fulfill our three-year pledge to acquire an Extracorporeal Membrane Oxygenation (ECMO) machine. We are in our final year of this campaign and are on the verge of delivering this life-saving technology to our patients. The ECMO machine provides a fighting chance when all other options have been exhausted, serving as a bridge to life during open-heart surgery or recovery from severe lung injury.

Please share your donor information so we can celebrate our community of supporters and proudly feature your name in the show's program. We are grateful for your unwavering support in nurturing our community's youngest and most fragile members.

Thank you for being a part of our journey.
