Dear Friends:

We are honored to reach out on behalf of Miller Children's Hospital Long Beach Auxiliary, which is a non-profit 501(c)(3) whose mission is to improve the general health and well-being of children in the community through emotional, financial, and cultural support. For over 75 years, we've proudly partnered with Miller Children's Hospital, contributing more than \$18 million to the betterment of the Pediatric community.

Our upcoming Annual Designer Fashion Show Gala will take place on February 28, 2026, at the Hyatt Regency Long Beach. Proceeds from this event will contribute towards our three-year commitment for the purchase of an ECMO (Extracorporeal Membrane Oxygenation) machine. We are in our final year of this campaign and are on the verge of delivering this life-saving technology to these brave young warriors. The ECMO machine provides a fighting chance when all other options have been exhausted, serving as a bridge to life during open-heart surgery or recovery from severe lung injury. This machine is critical to any regional care center to provide the highest level of care and services.

We invite you to join us as a sponsor of our upcoming Designer Fashion Show Gala. A variety of sponsorship and underwriting opportunities are available to align with your philanthropic goals. We also welcome the opportunity to explore tailored sponsorships.

Help us provide exceptional, compassionate care by supporting this transformative mission. Thank you for your consideration. We look forward to the opportunity to collaborate with you in making this year's gala a greater success.

Sincerely,

Lisa Maloney
